**Quality oranges:** Zummo UK and its distributors and agents take personal responsibility for the delivery of oranges weekly. We do not use third party agents with all the problems of poor consistency and poor quality that always ensues.

**Quality of flavour:** The juice from this machine tastes better because our COMPLETELY UNIQUE SQUEEZING SYSTEM ensures that the bitter oils from the squeezed skins never go into the juice.

**Clean pure juice:** the COMPLETELY UNIQUE SQUEEZING SYSTEM ensures that spray residues or any other contaminates from the orange peel never go into the juice.
